Dear Mr Fowler,

I understand that a new application has been made for the above address.

I HAVE NOT BEEN INFORMED AT ALL, although I live in the house opposite and have recently had bad flooding in my cellar and garden that has remained completely dry for the past 20 years.

Please would you kindly send me details of this new proposal AS SOON AS POSSIBLE.

I feel it is deliberately deceitful that the only information I have been sent with regards to this property, states that Full Planning Permission HAS BEEN WITHDRAWN !

Thank you

Mrs J. Sandler

Dear Mr Fowler,

Here is a copy of the email I have just sent you.

Please would you send me the new application details and whether anything has changed in the proposals.

If not, then I STRONGLY OBJECT to any new plans.
