Tom,

We would like to reduce an Ash tree in the rear garden back to the most previous points of reduction, removing 2 lengths, representing a 20% crown reduction. This is due to a complaint about garden shading, and shading inside the house of the neighbour in the property to the immediate right.

Site contact is [REDACTED]

Agent:

Microbee Tree Management Ltd, Unit 7, Saxon business centre, 41-59 windsor avenue, sw19 2rr.
trees@microbee.co.uk
0208 540 9968

Tree Owner:

Circle 33 Housing Trust, 1-7 Corsica Street, LONDON, N5 1JG.

Please let me know if this can be logged with the information provided.

Best regards,

Tom
