Are you proposing to connect to the exist	ting drainage system?	O V	O No O Harland		
			No Unknown		
If Yes, please include the details of the exi	sting system on the app	Dilication drawings and sta	ate references for the plan(s)/o	drawing(s):	
Dwg. CFR-05					

12. Assessment of Flood Risk						
Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)  • Yes No						
If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.						
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?  Yes  No						
Will the proposal increase the flood risk elsewhere? Yes   No						
How will surface water be disposed of?						
Sustainable drainage system Main sewer Pond/lake						
Soakaway Existing watercourse						
13. Biodiversity and Geological Conservation						
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.						
Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:						
a) Protected and priority species						
Yes, on the development site Yes, on land adjacent to or near the proposed development No						
b) Designated sites, important habitats or other biodiversity features						
Yes, on the development site Yes, on land adjacent to or near the proposed development No						
c) Features of geological conservation importance						
Yes, on the development site Yes, on land adjacent to or near the proposed development No						
14. Existing Use Please describe the current use of the site:						
The site is currently vacant but is graded as Sui Generis use.						
Is the site currently vacant? Yes No						
If Yes, please describe the last use of the site:  Licensed sauna and massage parlour						
When did this use end (if known) (DD/MM/YYYY)? 31/03/2014						
Does the proposal involve any of the following?  If yes, you will need to submit an appropriate contamination assessment with your application.						
Land which is known to be contaminated?  Yes   No						
Land where contamination is suspected for all or part of the site?  Yes  No						
A proposed use that would be particularly vulnerable to the presence of contamination?  Yes   No						
15. Trees and Hedges						
Are there trees or hedges on the proposed development site?  Yes  No						
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the						
development or might be important as part of the local landscape character?  Yes (  No						
If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.						
16. Trade Effluent						
Does the proposal involve the need to dispose of trade effluents or waste?  Yes  No						
17. Residential Units						
Does your proposal include the gain or loss of residential units?  Yes No						
18. All Types of Development: Non-residential Floorspace						
Does your proposal involve the loss, gain or change of use of non-residential floorspace?  Yes  No						

19. Em	ployment											
If known	n, please complete the f	ollowing	information regarding	g employees:								
			Full-time	Full-time Part-time		Equivalent number of full-time
