London Underground Limited

Hello Neil,

Commonwealth House 1-19 New Oxford Street London WC1A 1NQ

It has come to my attention that a planning application has been submitted for the above property.

I can confirm that the planning applicant is in communication with London Underground engineers with regard to the development above. Therefore, we have no comment to make on the application except that the developer should continue to work with LU engineers.

Should you have any further enquiries, please do not hesitate to contact me.
