2014/4264/P	Dr Philip and Mrs Helen Osmond	First Floor Flat 23 Thurlow Road Hampstead NW3 5PP	20/08/2014 16:43:26	OBJ	<p>Dear Sirs,</p> <p>My wife and I wish to voice our objections to the proposed development at 22 Thurlow Road.</p> <p>We have a flat in the adjoining property, 23 Thurlow Road.</p> <p>The proposed development is extensive. The construction process will cause prolonged disturbance to surrounding properties and persons through vibration and noise, and will disrupt traffic and parking throughout that time.</p> <p>The ground beneath our property will be at risk of being disturbed by the proposed excavations, with possible damage to our building both during and after the construction work, which would then cause us further disturbance and inconvenience.</p> <p>We do wish people could move into this peaceful, beautiful environment and enjoy it as it is, and refrain from implementing grand designs, whose process destroys what probably attracted them to living in Thurlow Road in the first place.</p> <p>(I realise it is only an assumption that the owners of Number 23 intend to live in Thurlow Road).</p> <p>We do feel objections like ours are important and should be given weight, and that it is important to make them.</p> <p>Yours faithfully,</p> <p>Philip and Helen Osmond</p>
