

SITE PLAN Scale 1:100

General Notes:

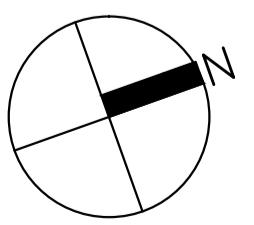

Report all errors, omission and descrepancies.

Verify all dimensions on site before commencing any work on site or preparing any shop drawings.

All materials, components and workmanship are to comply with the relevant British Standards, Codes of Practice and appropriate manufacturers' recommendations that from time to time shall apply.

this drawing and design remains the property of SIAW and may not be reproduced in any way without prior consent.

NOTE

The scale bar diagram includes three horizontal scales. The top scale is in meters (m) from 0 to 10, with major tick marks every 200mm and minor tick marks every 100mm. The middle scale is in feet (ft) from 0 to 100, with major tick marks every 4ft and minor tick marks every 1ft. The bottom scale is in inches (in) from 0 to 5000, with major tick marks every 1000in and minor tick marks every 200in. A note at the top center reads: "For guidance only. Do not scale off this drawing".

The logo consists of a grid of small black dots arranged in a specific pattern. The letters 'S' and 'I' are formed by vertical columns of dots, while 'A' and 'W' are formed by horizontal rows of dots. The 'S' has a vertical column of open circles on its left side. The 'I' has a vertical column of solid black dots on its left side. The 'A' and 'W' are composed entirely of solid black dots.
