RE:12-13 Stucley Place NW1 8NS

We confirm that the above building was purchased in December 2003 and refurbished during 2004. The company's staff moved in November 2004 and the premises have been occupied by Avondale Construction Ltd to carry out the duties of the Company's Head Office .All rooms are used by staff in the management of the business and have been occupied continuously since moving into the building.

Avondale Construction's business activities are as a contractor in the building industry supplying labour and materials to carry out work in the South of England. There are fifteen to twenty staff who normally occupy the office building engaged in the management of the contracting work.

All plant and material are stored elsewhere; in our stores in the yard at 164A Camden Street and 13 Prowse Place NW1 9PN, which the company has occupied since April 1981.
