2014/4770/T	Matthew Williamson	Flat 2 13 Belsize Park Gardens	19/08/2014 12:00:06	COMMNT	<p>I would like to oppose the tree being knocked down in the garden of number 15.</p> <p>Along with many other owners and tenants I've spoken to the feeling is that the tree is not needed to be removed in order to facilitate the proposed garden house.</p> <p>In addition the once beautiful garden which is now being covered in paving stones the tree being removed will expose what is currently a very private garden and outlook to myself many of the surrounding home owners.</p> <p>I also oppose the tree being removed as it will damage the conservation of this area which is currently green and lush and much loved by the residents.</p> <p>Regards Matthew Williamson</p>
2014/4770/T	Leah Gallo	15A Belsize Park Gardens	19/08/2014 20:03:47	OBJ	<p>I object to the destruction of the two trees in the rear garden (which abuts our garden). These are two beautiful trees in a conservation area and I don't understand why they would be killed. They have already decimated their garden and turned what used to be a beautiful green space into a grim dirt lot which the rest of us in the building are forced to look at. Furthermore, any work they do will cause further noise disruption to our lives, and they have already subjected us to months of such disruptions and construction. Surely we have some right to live in our flat peaceably - they have not given us this since we moved in on May 17. They want to have strangers accessing their garden through our garden to do work on theirs and this makes me extremely unhappy, especially since we are having a new baby in November and we don't need strangers tramping through our garden, even if only once a week. I strongly object to this needless de-greening of an area that is supposed to be a garden - not a patio.</p>
2014/4770/T	Jeff Atmajian	Flat 7 15 Belsize Park Gardens	19/08/2014 17:25:50	OBJ	<p>Dear Camden,</p> <p>I formally object to this application. I and many of my neighbors appreciate and value the greenery and beauty of wildlife that make up Belsize Park Gardens. Trees are an especially important part of this.</p> <p>Thank you fro your time.</p> <p>Best, jeff</p>
