2014/4264/P	Chelsea Parker	Top Floor Flat 23 Thurlow Road London NW3 1PZ	14/08/2014 17:05:26	OBJ	<p>I would like to object to the proposal for the replacement for the existing garage block. The all glass proposal does not sit with the Victorian style of the house or the neighbouring properties. It looks more like an office structure than a residence in this part of Hampstead.</p> <p>With regard to the basement proposals, these look far less intrusive than the previous application. I would rely on the engineering reports to ensure the proposals are safe and not a danger to our adjoining property?</p>
