2014/5097/T	Simone Santi	Flat 4 109 king henry's road NW3 3QX	17/08/2014 16:20:13	OBJ	I object to the removal of the tree as referred to in this planning application. The tree is healthy, doesn't represent an impediment to pedestrians and, considering it is located opposite our bedroom windows, represents a very pleasant visual amenity which we value. I would like to further understand the reasons for wanting to remove this tree.
