OBJECTION

COMMENT

(Please tick as appropriate)

We dislike the extension of the basement to the extent proposed and can not see beneficial accommodation as it is at basement level. We consider the basement should be lit, and probably needs only to be lit, by the vertical windows shown on section. We dislike the take-up of apparently well-established and pleasant landscaping and the creation of added light pollution. We do not see sufficient details of the proposed new landscaping.

Name (block capitals only  
- no signatures please)

NANCY MAYO

Date: 13.8.14

If you would like to discuss the above application in more detail, please telephone Nanayaa Ampoma of West Area Team on 020 7974 2188.
