2014/3650/P	Mr & Mrs Lambert	19 Charlton Court 75 Brecknock Road London N7 0BU	11/08/2014 19:18:05	SUPPRT	We support the above application for No. 18 Charlton Court in replacing the existing windows and doors to the best available on the market as living on a main road it can get very noisy from traffic and people. Not to mention the draught during the winter months as the back wall of the property is made up entirely of glass. We too will be applying to you for permission to do the same thing.
