2014/4172/P	Susan Pyne	16 Mackeson Road	12/08/2014 15:20:03	OBJ	I strenuously object to this application on the grounds that underpinning will cause subsidence to all properties in the entire road eventually. The proposer will have no responsibility to the house owners and there was serious subsidence and hence underpinning undertaken in Roderick road quite recently - caused I believe by basement works. The noise and disruption to residents will be prolonged and horrendous. These houses have no foundations and are only built on clay so if one house is underpinned by concrete then the rest will move away eventually. My property is only 2 doors away so mine will be one of the first.
