2014/4698/P	Charles Edward	7 Oak Village London NW5 4QR	06/08/2014 11:58:45	COMMNT	I wish to object to one aspect of the proposal, and that is the provision of a garage space. The existing building does not have car access and the proposal will result in the loss of a street parking space which is very critical in this area. I welcome the poposal from the point of view that it would replace a derelict building, a real eyesore, with a new useful one.
