2014/4224/P	James Solyom	Flat 6 76 Greencroft Gardens	05/08/2014 10:12:01	OBJ	I object to this application for the following two reasons: 1) Not in keeping with character of the conservation area. There are no balconies in the nearby area and this will look modern and ugly. This is not being developed in line with the traditional beauty of Greencroft Gardens 2) Loss of privacy for neighbours and extra noise. The balcony will overlook the nearby gardens of neighbours and further noise will be created destroying the local tranquility
