## G. CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

### 1. THE WRITTEN REPRESENTATIONS PROCEDURE \_\_\_\_\_

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions or changes of use).

- a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? YES  NO
- b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? YES  NO

If so, please explain below or on a separate sheet.

### 2. THE HEARING PROCEDURE \_\_\_\_\_

If you are proposing that this appeal follows the hearing procedure, you must submit a draft statement of common ground. **You must give detailed reasons below or in a separate document why you think a hearing is necessary.**

- a) If you are proposing that this appeal follows the hearing procedure, you must liaise with the LPA and agree two alternative dates on which a hearing could take place. The dates should not fall on a Monday but should be between the period 7 - 11 weeks from submission of your appeal.

Please note that failure to provide at least one agreed date will result in a date being fixed by the Planning Inspectorate.

- b) Is there any further information relevant to the hearing which you need to tell us about? If so please explain below. YES  NO

### 3. THE INQUIRY PROCEDURE

You must ensure you have read the 'Choice of Procedure' section of the 'How to...' guidance at the top of this form before you choose this procedure. If you are proposing that this appeal follows the inquiry procedure, you must submit a draft statement of common ground. **You must give detailed reasons below or in a separate document why you think an inquiry is necessary.**

This is a complex case and a revised proposal further to the previous scheme being dismissed following a 3 week public inquiry in 2011.

*Continued on Supplementary Sheet*

- a) How long do you estimate the inquiry will last? No. of days   
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.)
- b) How many witnesses do you intend to call? No. of witnesses
- c) How long do they need to give their evidence? No. of days
- d) If you are proposing that this appeal follows the inquiry procedure and have estimated that it will last no more than 2 days, you must liaise with the LPA and agree two alternative dates on which an inquiry could open and enter the details below. The opening date should not fall on a Monday or a Friday but should be between the period 10 – 17 weeks from submission of your appeal.  
Please note that failure to provide at least one agreed date will result in a date being fixed by the Planning Inspectorate.

See Draft Statement of Common Ground

- e) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below. YES  NO
