Proposal: Replacement of one UPVC window with single timber glazed door, removal of current open railings at second floor level to rear elevation and erection of 1.1 metre high black balustrade railings to create roof terrace

Comments:  OBJECT  NO OBJECTION  COMMENT

(Please tick as appropriate)

We consider the application to be too intrusive on grounds of intrusion on neighbours' privacy and noise, and on architectural grounds. We are happy with the replacement of a UPVC window with a timber one.
