(1) Existing slate lining to head and jambs to door removed and replaced by new lining formed from bronze sheet on WBP ply on framing to give opening size to approximately match the existing and to suit new door.

- 2 Joints in bronze cladding at equal centres.
- 3 New automatic sliding door with bronze finished frame.
- 4 Existing steel windows to basement stairs replaced by white painted steel fixed lights to match existing with obscured double glazing with safety glass as required by AD N.
