2014/4569/L	Anthony Lambert	47 Stanlake Road London W12 7HG	31/07/2014 12:17:13	SUPPRT	I do hope this is approved. It is entirely appropriate for there to be some memorial to the designer of the locomotive holding the world speed record for steam traction at King's Cross. It will provide a focal point of interest for passengers and add to the sense of history at the Grade I building.
