2014/3027/P	James Elks	Flat 1 58 Fordwych Rd	02/07/2014 13:54:48	COMMNT	With all the building work going on around the Iversen Rd, Maygrove Rd and Fordwych Rd area can you please ensure the building contractors on this project keep all disruption, noise and waste to an absolute minimum. I live at 58 Fordwych Rd and there are two young children present at my property all day. I do not wish to have their routines (particularly sleeping) disrupted by building noise and work going on next door.
