2014/4117/P	Roger England	46 Museum Street	08/07/2014 20:14:34	OBJ	<p>Application Ref: 2014/4117/P</p> <p>23-26 Museum Street</p> <p>I object to this addition of another floor to this property.</p> <p>This property is already a full story higher than those around it including the listed terrace on the opposite side of Museum Street.</p> <p>The addition of another storey will result in:</p> <ul style="list-style-type: none"> • A very dominant building overshadowing historic properties in the street and reducing further the historic character of the street • A loss of light to and view from my residential property and to other residential properties on the higher floors of the whole Grade II Listed terrace opposite (42-47 Museum Street) and to those on the north side of Little Russell Street • A modern glass and aluminium extension seen from 2nd and 3rd floor windows of the buildings mentioned above, out of place in the area, and reducing a significant segment of sky now seen from these windows.
2014/4117/P	Mrs Inger Wallis	27 Coptic street London wcl1a 1nt	22/07/2014 12:11:07	OBJ	<p>I live behind this property I look at it from my living room and kitchen.</p> <p>It is already very high, if it goes 1 storey higher it will block all sky from my windows ALL OF IT.</p> <p>We are already very closed in here and the lack of light and sky is very depressing. I object in the strongest terms to this application. Please support us local longterm residents who are feeling very oppressed by the development of crossrail the old post office, 31 New Oxford st and the old post office building.</p> <p>You are welcome to visit me to see the effect 1 more floor on 23-26 Museum st would have on our home and quality of life.</p> <p>thank you.</p>
