2014/4230/P	Tom Bolton	51 prince of Wales road	24/07/2014 21:31:38	NOBJ	Having viewed the application/drawings, I do not believe you would not be able to see the terrace from 51 Prince of Wales Road - the adjoining property - and they would therefore not be able to see anyone living in 51.
2014/4230/P	Judy Love	Lower Maisonette 7 St Ann's Gardens LONDON NW5 4ER	21/07/2014 12:58:09	NOBJ	Dear Planner I have viewed the proposed plans online. I have not objection to the flat roof being used as a roof terrace. The property has no garden and does not overlook neighbouring properties. It is set back and therefore will not be obtrusive - and will preserve the user's privacy. As you have recently allowed a roof terrace at number 16 Hadley Street please would you approve this application. Although I have recently moved away I lived at 2 Hadley Street (next door to 2A) for over thirty years. With regards JK Love JUDY LOVE
