Dear Sir,

Planning reference 2014/4059/P Grove Place, London NW3 1JP

I am writing to express my strong opposition to the Planning Application under the above reference number. However, if it should go ahead the following should be taken into consideration:-

1. It would have to be constructed in a sympathetic architectural style to the adjacent areas in Hampstead
2. Ensure that the lighting is not too bright
3. Hampstead is a very quiet place so no increase in noise levels should be allowed particularly as my bedrooms overlook the area in question
4. No sports equipment, ballgames or any activity that interferes with the quiet enjoyment of my garden should be permitted

Yours faithfully,

[REDACTED]

J. P. Norton
