Thank you for your letter received on 14 July 2014 notifying us of the revised or amended information in respect of the application for listed building consent relating to the above site.

We have considered the application and are minded to direct as to the granting of listed building consent.

We enclose the draft letter authorising the granting of consent (draft attached) and have referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of direction to you.

If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course. This response relates to listed building matters only. If there are any archaeological implications to the proposals please contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).
