Dear Mr Baxter

**ST STEPHENS , ST STEPHENS HALL , POND STREET, HAMPSTEAD, LONDON,
NW3 2PP**

St Stephen's Church, listed grade I, is acknowledged as one of the finest examples of Teulon's work. The highly decorative Victorian interior makes an important contribution to the historic, aesthetic and communal significance of this valuable heritage asset.

Thank you for consulting us on this application and involving us in discussions regarding this application. We welcome the repair of the damaged corbels and have received detailed photographic images of their original appearance. I am therefore happy for your Authority to determine this application as it sees fit.

Should you require any further input from English Heritage in this case, please do not hesitate to contact me

Yours sincerely
