Dear Ms Parker,

I would like to echo Cllr Olszewski's comments and support the application based on the revised opening hours, access points and numbers.

Kind regards,

Lorna

Dear Ms Parker,

Further to previous emails regarding the planning application by the North West Islamic Cultural Centre, I am writing in support of the Centre's planning application re 2014/3760/P.

I have noticed that building work has been going on at the shop front on Cricklewood Broadway, which I trust will be carried out in a manner that will enable approval of the application. From what I have seen, the council has been fair to the NWICC, who in turn have compromised on opening hours, access and numbers using the centre. On this basis, I am happy to support its application, which I hope that the council will approve.

Please can you keep me advised of progress.

Regards,

Cllr Richard Olszewski
