OBJECTION

COMMENT

(Please tick as appropriate)

The glazing bars appear from the larger detail to be a full through-timber bar, although the general sections appear to contradict this. We recognise the difficulty of producing small-pane double glazing, but the principle and detailing should be established as a policy ~~to~~ to resolve the ~~there is~~ conflict between the ideal and the practical application of twin-leaf double glazing. (I.E. no glued on face bars.)

Name (block capitals only) NANCY MAYO
- no signatures please)

Date: 2.7.14

If you would like to discuss the above application in more detail, please telephone Tessa Craig of Advice and Consultation Team on 020 7974 4546.
