My enquiry is

Regarding Application for Tree Works at 15 Maresfield Gardens, NW3 5SN
Application number: 2014/4566/T

Good afternoon,

I am the leaseholder of the ground floor flat at 15 Maresfield Gardens.

I understand that Mr David Freedman, a leaseholder of the basement flat, has applied for permission to conduct tree works on the trees in my garden. In the application form, he declares himself to be the owner of the trees. However, this is not the case, because I am the owner of the trees, all of them being in the garden of my flat.

I was not informed that this application had been submitted until yesterday afternoon (23 September) and I do not consent to the works being proposed.

I am therefore very concerned about this application and I ask that it is rejected or at least put on hold. I wanted to put in this notice as soon as possible but can provide evidence of ownership if you require it.
