To whom it may concern,

In reference of the above Application

I'm a resident of the Brunswick Centre and as I have already stated in my last letter send to the planning application DPT I DO NOT agree with this project.

We, the majority of the residents at the brunswick centre feel that the shopping centre DOSEN'T need one more coffe/bar/sandwich spot The shopping Centre prouvides enough coffee shops, sandwich makers, restaurants and so on for the entire community around the Russell Square area.

Also, being above the Renoir Cinema, we feel that is to close to the above flat, taking away privacy not to mention the smell this will create.

I strongly believe that Camden Council should RECONSIDER AND REJECT THIS PLANNING APPLICATION AT ONCE, for the benefit of all the residents of the Centre.

Regards

M Rossi
