Ms Angela Ryan  
Planning Officer (Planning Solutions Team)  
Planning Department  
London Borough of Camden  
5 Pancras Square  
London WC1

14 October 2014

Dear Ms Ryan

Re: Planning Application Y2014/3858P – Turtles Nursery, Endell Street

*I am submitting a petition on behalf of the Residents of Dudley Court, who have opposed the siting of the wooden structure in the nursery yard since it was first erected without either consultation with the Residents or an Application for Planning Consent.*

*We are further objecting to the 'Buggy Park' which is curtained and these 'flap around' causing noise nuisance and again erected without any Planning Consent or permission from Camden Council.*

*We, the residents of Dudley Court would like our objections to be taken into consideration when the captioned Retrospective Planning Application is heard by the Planning Committee.*

Yours sincerely

Michael Wilkinson  
Chair, Dudley Court Tenants' Association

Enc.

WE THE UNDERSIGNED RESIDENTS OF DUDLEY COURT OBJECT TO A RESTROSPECTIVE PLANNING APPLICATION (REFERENCE 2014/3858) SUBMITTED BY TURTLES NURSERY, ENDELL STREET, IN RESPECT OF A WOODEN STRUCTURE (CLASSROOM/PLAYROOM/SHED) ALREADY ERECTED WITHOUT ANY PLANNING CONSENT.

THE REASONS FOR OUR OBJECTIONS ARE AS FOLLOWS:

- 1) THE STRUCTURE IS LARGER THAN THE PREVIOUS WOODEN STRUCTURE WHICH WAS PERFECTLY ADEQUATE AND WE CONSIDER WAS DEMOLISHED UNNECESSARILY
- 2) THE STRUCTURE WHICH IS NOT A STORAGE SHED BUT AN EXTRA PLAYROOM/CLASSROOM FOR THE NURSERY, HAS BEEN PLASTERBOARDED, WITH CARPETS AND ELECTRICTY AND HAS BEEN PARTIALLY SITED UNDER THE BALCONIES OF TWO FLATS IMMEDIATELY ABOVE.
- 3) BY SITING THE STRUCTURE UNDER THE BALCONIES, IT CONSITUATES A FIRE AND SECURITY RISK AND MAY EFFECT INSURANCE.
- 4) WE WOULD LIKE TO SEE THE BUILDING REPLACED BY A STRUCTURE OF THE SAME SIZE AS THE ORIGINAL AND IN THE SAME PLACE THE PREVIOUS STRUCTURE STOOD
- 5) WE ARE ALSO NOT HAPPY WITH THE 'BUGGY PARK' WHICH HAS BEEN ERECTED, AGAIN WITHOUT PLANNING CONSENT AND HAS BEEN 'CURTAINED' IN A VERY UNSIGHTLY MANNER AND THESE CURTAINS FLAP AROUND CAUSING NOISE NUISANCE. THE 'BUGGY PARK' STRUCTURE MAY ALLOW INTRUDERS TO EASILY GET ON TO THE ROOF OF THE 'PLAYROOM/CLASSROOM' AND THEN ON TO THE BALCONY OF THE FLATS SITED ABOVE POSING A BIG SECURITY RISK.
- 6) SOME MONTHS AGO A BACK DOOR WAS KNOCKED INTO THE NURSERY BUILDING, AGAIN WITHOUT ANY PLANNING PERMISSION OR THE COUNCIL'S CONSENT.
