Planning application number..... 2014/5401/P
Planning application address..... 101 BRECKNOCK ROAD/TORRIANO AVE.

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

I consider this to be an overdevelopment of the site. Losing an important local amenity in the pub garden. Loss of green space, loss of light. Concern for safety of tree and other plants in and around the site. I also think the proposals will damage the character of the area.

Please continue on extra sheets if you wish
