

3. Bonny St
Camden Town
. NW1 9PE.

Dear Sir / Madam.

I am writing to object 2013/7646/P.
I think that the proposed scheme is way
to high, here in Bonny St, its a lower
rise buildings and should be kept at that
level, if it goes any higher it will take
all the light out of my home I have lose
most of the light already from new build
in Prowse Place. 9. Floor on Camden St
is ridiculous we are already being overlooke
by Regent's Canal side. Which is 7 floors
We don't want this to happen again.

Nancy Thank
