Dear Sir,

15 COUNTESS ROAD LONDON NW5 2NS
Planning Application – PEX0100978

Further to your comments relating to our application for roof conversion, dormer window, and front roof glazing we have taken on board your comments and now enclose revised drawings for your consideration. We covered your point as follows:-

- i) The new solar reflective windows have been reduced in size and a revised design is proposed for the windows to be flush with the existing roof.
- ii) The size of the rear dormer has been revised and a pair of dormers substituted in line with the Council's SPG and your advice.
- iii) The terrace has been replaced with a pitched roof.

We therefore submit these revised proposals (three copies) as described above and we ask you not to determine the application until we can discuss these revised proposals with you.

productive discussion with you regarding any refinement of the
