I object to the proposed plan to cut down the bay tree in the front garden of No 6 Downside crescent. As it is on the curve of the crescent and among many gardens which have been paved over and have no significant vegetation it is a vital visual amenity enjoyed by all who look out on it and indeed pass by.

I note the front garden of No 6 is paved over (as indeed is most of their back garden - great view for us) and the tree is all that relieves the view.
