Dear Ms Walsh,

**The Castle, 147 Kentish Town Road, London NW1 8PB**  
**Application ref: 2014/5900/P**

This application should be turned down because it has been submitted just as the deadline for reinstatement of the existing building expires and looks like an attempt to circumvent the enforcement notice.

Secondly, the retention of the original facade of The Castle pub is entirely spoiled by the addition of a third floor in a cheap portakabin style. If the facade is to be retained then there should not be a extension rising up behind the parapet.

Yours sincerely
