3. Description of the Proposal

Please describe the proposed development including any change of use:

This is a small unit of 400 sq feet (37.16 sq metres) on the second floor of a block of offices authorised for building use class B1. This application is to change the use class of this unit to D1 (for provision of any medical or health services except the use of premises attached to the residence of the consultant or practitioner). The change of use is required to allow the applicant to set up an osteopathic clinic in the unit. The remainder of the building will continue to be used as offices with B1 use. The creation of the clinic will generate employment and create jobs in an empty unit. The change of use will be in line with Camden Core Strategy and Development Policies. It will contribute to the provision of a wide range of health care services and facilities in the area and contribute to the borough's economy. It will service local people, people who work in the borough and attract people into the area, using the wide range of public transport options, helping to support the local economy.

Has the building, work or change of use already started? Yes No
