The Council has considered your notification of intended works to trees dated 25 June 2014 and does not wish to object.

Informative(s):

Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or www.naturalengland.org.uk.

- 2 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
