

- Wicker panelling cover the metal fence. Beyond this is the communal walkway

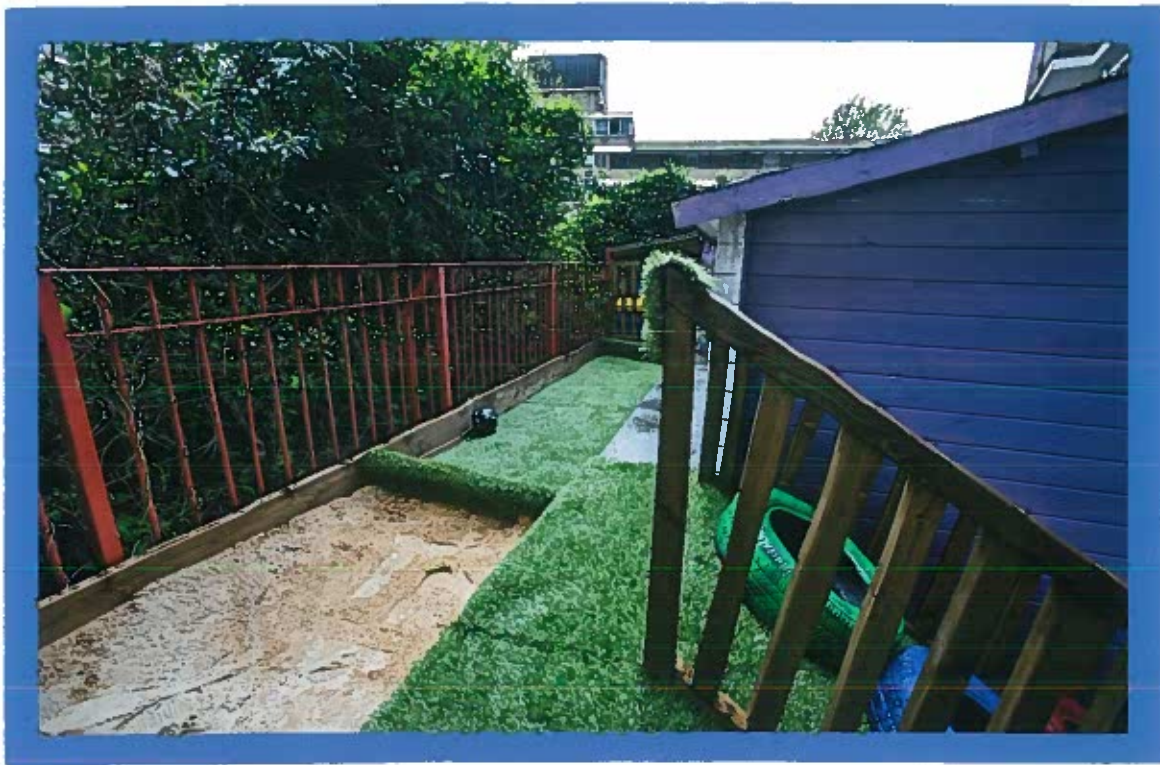

An overview of the garden. You can see the fence for the baby area and log cabin along with the storage area for buggies

Buggy
Storage
area.
The roof is
on a slight
slope to
allow rain
water to
drain onto
the plants.

An overview of
the garden.
The log cabin is a
replacement "like for
like" building which
was destroyed in the
Storm and had
woodworm throughout

The Sand
area and
astro turf

The Cabin and the Storage area.

The ramp leading
up to the sand area

The old
sheds -
1 large
unit with
windows
2 doors
lights and
plug sockets
for equipment

Before - The work was
completed - overgrown
weeds

Window now but house
like to change to a door
leading into baby
room.

Ratings & Reviews [See all 1 reviews](#)

★★★★☆ Mr Harry Dunn

"Good quality product and good value for money. Went together without any problems and could be taken by anyone with reasonable DIY skills. Only negative is that rear wall felt flimsy but fitting external frame well"
