

Dear Gerry

Thanks for your email.

I can confirm that we are happy with your recommendation.

Best wishes,

Mr Crawford,

Following my site visit yesterday, could I recommend changing the specification to:

Cut back to clear any property or roof by up to 2m.

It is my opinion that to reduce the tree by 5m would be detrimental to the trees health.

Could you confirm if you are happy with my recommendation.

Thanks

Gerry Oxford
