1. There is a high wire fence on the boundary of the Highfields Grove Houses and Witanhurst and the Owner of Witanhurst has an obligation to maintain and repair that fence. The proposed new additional fence would make it difficult complying with such obligation and would lead to breach of Witanhurst's covenant. This is unacceptable.
2. The new fence would be an eyesore being 11cms from the existing fence is addition to an wire perimeter fence Witanhurst have built around 3 feet away.
3. The new fence would lead to a no man's area of 11cms leading to animals being trapped, weeds etc and must be rejected by the Council. The RSPCA would take action in view.
4. There is no precedent in a conservation area for 3 perimeter fences. Witanhurst already have two and three is intolerable and a blot on the landscape.
