Planning application number..... 2014/5248/P

Planning application address..... 12 Egbert Street NW1 8LJ

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

The rear of our houses are opposite one another.
A roof extension with a roof terrace will mean
that it is higher than our top rear bedroom and
obviously people could look into the bedroom.

At very least if a roof terrace is granted the
terrace should have opaque glass.

Thank you.
