PLANNING APPLICATION 2014/4296/T

I have the following comments to make with regard to the above planning application.

The last removal of trees from this area of the garden at 39 Crediton Hill (in 2012) was followed within two weeks by the collapse of the brick wall dividing this property from the Yale Court block in Honeybourne Road (which, I note, has yet to be replaced). Clearly this should be taken into account by the responsible authorities before granting permission for the proposed removal of the cherry tree.
