Planning application address... 112 Boundary Rd, NW8 0RH

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

my business is right next door (Basement & Ground floor)
we offer Health and Beauty treatments in the
basement, These treatments need to be carried
out in a quiet and tranquil environment.
The development noise from next door will
seriously affect our business, the noise will
disturb the quality of our treatments which
can result in loss of clientele and ultimately
financial losses for the business.
