I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

I have not been aware of this latest development, until I got the Management's letter with the financial assessment of the work to be repaired.

I knew even when I have not seen the place - that there have been problems, dampness, leak (?) etc. in that part of the house.

As I am the owner of my flat, & the state of the house is also my concern and therefore:

I support the application
