

Please can someone else deal this this asap. Thanks

Good morning,

Please note, it is not possible to view the 10 objections/thumbnails from your web site. I am able to view the two others OK. Please can you provide in format that is accessible..

Furthermore, although I am not a member of the Elsworthy Terrace Association, I support the objections and concerns submitted by them, regarding this 'lawful' development proposal.

Thanks and regards,

Eva Corman
