

Niall Sheehan,

Please note we never received notification either (number 5) and would have objected as per the attachment from number 1 Burgess Hill. Surely you need to revisit this case?

Regards

Stephen.

Your comments on the planning application: I am the freehold owner of the semi detached house located at 1 Burgess Hill, attached to the house at 3 Burgess Hill - the subject of this objection.

I did not receive a formal Notice of an Application for these works which you were supposed to have sent me to inform me of the proposed works. The proposals directly affect my property since both properties are attached and we share a party wall. The excavation of the basement which we believe to be unsound structurally anyway, will potentially undermine the foundation and patio of our property. Further the works will cause significant noise, nuisance and disturbance to the residents of our property.
