Dear Obote, Here is our advice, Many thanks and best wishes, Richard.

ADVICE from Primrose Hill Conservation Area Advisory Committee
12A Manley Street, London NW1 8LT

20 August 2014

55 Gloucester Avenue 2014/4604/P

No objection to the side addition, subject to a condition that the boundary wall is reinstated using the masonry saltire pattern which is characteristic of the conservation area. We can provide photographic evidence. The purpose of the condition would be to preserve and enhance the character and appearance of the conservation area.
