Regarding: application no 2014/4394/P

Dear Sir/Madam,

My apologies for not writing sooner.

I strongly object to the erection of a one story building in the gardens of no 7 and 9 Pond street, NW3 2PN. Even though the plans have been altered since the first planning application at this address, it doesn't alter the situation at all.

Security issues, light and privacy issues for the residents living adjacent to the gardens as well as flooding problems because of gardens disappearing.

This application is totally unacceptable.

Faithfully yours,

Johanna J C Teutscher
