Dear Sir/Madam,

Application Ref: 2014/4513/P

-----  
We would like to comment against the application of Flat 1-2 24 Belsize Park NW34DU for the following reasons:

- External appearance
- Privacy of Flats 2 and 3 where the enormous window proposed would look into both these flats during daytime and would affect the light in both flats when the proposed window would be lit up at night

Ruth Sands  
on behalf of Flat 2 and 3 at  
23, Belsize Park  
London NW34DU

Regards  
Ruth Sands
