Application for Listed Building Consent**

**SIR JOHN SOANES MUSEUM 13 LINCOLN'S INN FIELDS LONDON WC2A 3BP  
Application No 2014/5340/L**

Thank you for your letter of 18 August 2014 notifying English Heritage of the scheme relating to the above site. Our specialist staff have considered the information received and we do not wish to offer any comments on this occasion.

**Recommendation**

**This application should be determined in accordance with national and local policy guidance and on the basis of your specialist conservation advice.**

We have therefore drafted the necessary letter of authorisation (draft attached) for your Council to determine the application as you see fit and referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of authorisation to you. If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course.

Please note that this response relates to historic building matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).
